

How can your experience of health and social care influence service change?

Healthwatch Croydon Annual Meeting and Community Fair

Tuesday 7 November 12.00-13.30 (opens 11.30)

Braithwaite Hall, Katherine Street, Croydon CR9 1ET

Croydon's health and social care services are undergoing dramatic change. Our role, to gain experiences and feedback to those who run services, has never been more important. Hear out about our achievements in 2016-17 and our future plans.

Guest speaker: The Mayor of Croydon, Cllr Toni Letts will talk about the importance of the citizens' voice in health and social care delivery.

You will also see a launch demonstration of our new way to review services. Refreshments will be served.
