

Trends Analysis Report

Cardiology

ABOUT THIS REPORT

Healthwatch Croydon has analysed the experience of local cardiology services.

The Coding

Service user comments have been coded using a nationally recognised coding matrix, which applies issue, care pathway location, and (positive, neutral or negative) sentiment.

Quality assurance of coding is ensured through the Healthwatch Croydon Patient Experience Panel.

The Care Pathway

Care Pathway locations are Transport (ability to get to-and-from services), Reception (reception services including back-office), Diagnosis/Testing (diagnosis of condition, including testing and scans), Clinical Treatment (treatment received by trained clinicians), Clinical Nursing (care received by trained nurses), Discharge (discharge from a service), Follow On (supplementary services following discharge, including care packages), Community (community based services, such as social care, district nursing and community mental health).

Disclaimer

The trends within this report are based on service user comments we have obtained from sources outlined in Section 1. Comments obtained from these sources may not be representative of all service users experiences or opinions.
